

Canvas Video Assignments

Planet eStream customers who use Canvas as their LMS can allow students to submit video assignments to Planet eStream via Canvas. Submitted assignment videos are automatically embedded into the Canvas grading tools.

Step 1: Creating the Assignment

On a relevant course select Assignments from the list of options on the left-hand side of the page. Next, select +Assignment to create a new assignment.

The screenshot shows the Canvas LMS interface. On the left is a navigation menu with items: Home, Announcements, Assignments, Discussions, Grades, People, Pages, Files, Syllabus, Outcomes, Quizzes, Modules, Conferences, Collaborations, and Settings. The main content area has a search bar labeled 'Search for assignment' and two buttons: '+ Group' and '+ Assignment' (highlighted with a red box). Below the buttons is a list of assignments. The first item is 'Tom Video Assignment' with '100 Pts' and a green checkmark icon.

Step 2: Making a Submission

As a student navigate to Assignments to view any assignments that have been set. Select the relevant assignment from the list.

When the plugin loads the options available will depend on the Planet eStream licence your organisation holds and the permissions that the students have. Typically, they will be able the Media Library, Upload and Web Recorder Options.

To upload a new video assignment, select Upload. You can then drag-and-drop or click the Upload Video or Audio file option. Next, add your information as usual and select the Upload option.

To create a new video capture of your webcam, screen or both, select the Web Recorder option. Configure your settings as usual and hit Record. Then press Stop, enter any relevant information and upload.

Once you have added the video or videos that you want to submit as an assignment, add any relevant comments or additional information and select Submit Assignment.

Step 3: Grading Submissions

As an Educator navigate to the Canvas grading tools. All submissions for each student should be visible. Select a student name to grade the submissions.

Student name	Tom Video Assignment Out of 100	Video Assignment Out of 100	Assignments	Total
Andrew	-	-	-	-
Phil B	-	-	-	-
Ben Goulden	-	-	-	-
John Jackson	-	-	-	-
Matthew	-	-	-	-
Phil	-	-	-	-
Test Student	85%		85%	85%

Select the relevant assignment from the list.

Video Assignment	T	100
Assignments	85%	85.00 / 100.00
Total	85%	85.00 / 100.00

The submission is embedded into the grading tools. You can view the video back, add any comments and then give a grade. Click Save and then grade the next submission.
